

Johnny Branham BIO

Johnny Branham was born and raised in Tampa Florida by parents John and Delphine Branham. Johnny is the youngest of three children. He is the father of two beautiful daughters who are very influential in his life.

Mr. Branham graduated from Leto Comprehensive High School and afterward entered in the United States Army where he served as an Automated Logistical Specialist. He later enrolled in college by correspondence and earned his paralegal diploma. He has spoken before the Florida State Senate as an invited guest on behalf of the incarcerated to advocate for funding for re-entry programs. Mr. Branham is currently enrolled in college for his bachelor's degree in Religion with a concentration in Biblical and Theological Studies. His hobbies include writing poetry, singing, songwriting, and authoring. He enjoys utilizing his gifts and talents to uplift and encourages people everywhere.

Mr. Branham is the CEO of Hope 4 2Day Ministries (H42D) which is a non-profit spiritual work that helps men, women, the homeless population, ex-felons, and their families to employ them to return to the workforce and to help them with taking care of themselves and their families. Johnny was recently married to his wonderful wife Mrs. Shontia' Branham in 2016 and together they both have a total of 5 children. Mrs. Branham is the VP of H42D Ministries which was started in 2017. Mrs. Shontia' Branham has her Master's degree in Education and she loves to teach. Shontia' and Johnny are catalysts amongst the rising recidivism and homelessness rates.

Hope 4 2Day Ministries provides hope in the form of offering resources that help their clients create stability after leaving prison/homelessness. His mission is for his clients to not only survive after their release but to thrive by beginning with the end in mind.

Mr. Branham is also the CEO of Hope 4 2Day Staffing which is an agency that provides employers with quality employee candidates who receive employability skills training, mentoring and life coaching. The organization believes in building up our community by reducing the unemployment, poverty and crime rates through the dignity of work. The company is dedicated to affecting the culture of the immediate society by building lives one prospect at a time. Their partners provide them with a village of support through church ministries, financial institutions, local colleges, and other for-profit and non-profit entities. Their partners collaborate their resources to help strengthen core values of hope, faith, and determination within our community.
