

Katrina Osborne

My name is Katrina Osborne of Pearlena's Activity Resource Empowerment Center. My background is in Call Center Management Finance/Operations to Community Outreach, Training and Public Relations. I have a degree from the University of South Florida in Speech Communications with a Concentration: Organizational and Interpersonal Communication.

God took me from Corporate to the Community and I would not have it any other way. What an honor to advocate for mature adults 55+ community, individuals/families: those with disabilities, veterans, homeless, and/or ex-offenders in all areas and support the community as a "One Stop Shop"!

This vision was birthed through my mother Arlena Chisholm, CEO Founder to honor her mother "Pearlena" and I now am honoring my mother "Arlena Chisholm" and my Bigmama "Pearlena" through our community initiatives.

ALK of Florida Inc. aka Pearlena's Activity Resource Empowerment Center is a private non-profit organization and our mission is to serve the community including but not limited to mature adults 55+, individuals/families that may include veterans, homeless, ex-offenders and disabled. Our goal is to connect individuals & families to resources while helping them maneuver through processes "roadmap" approach while advocating, empowering and educating them to gain knowledge and promote the principles of "giving back/hand up" approach of time, talents and treasures.

We believe through Adoration and Loving Kindness (ALK) we can reach the community and encourage unity. Each One Teach One approach through activities for healthy living stimulation of mind, body & soul, providing resources and assisting with resolutions that will increase their level of self-sufficiency.
